The image shows a tablet with a dark grey bezel. The screen displays a 'CURRENCY CONVERTER' app. At the top of the screen, the status bar shows 'iPad', a Wi-Fi signal, and the time '11:06 PM'. The app title 'CURRENCY CONVERTER' is centered at the top of the main content area. Below the title, there are three labels: 'FROM', 'TO', and 'AMOUNT'. Under 'FROM' is a dropdown menu showing 'EUR - euro'. Under 'TO' is a dropdown menu showing 'USD - US dollar'. To the right of these is an empty text input field for the amount. Below the input fields are two buttons: 'Convert' and 'Clear', followed by a star icon. At the bottom, there is a label 'RESULT' followed by an empty text input field. On the right side of the screen, there is a sidebar with a light grey background. It contains two items: 'My favourites' with a star icon and 'My history' with a clock icon. The tablet has a circular home button on the left side of the bezel and a small dot on the right side.
